

Profound oriental culture

The MATSU Li desk inherit the Chinese elements in innovation, containing profound oriental culture in chic shapes. The desk owner keeps a low profile to pay tribute to him and others and remains humble, modest and courteous in his conducts. He sees through things and appropriately abides by the principle of "balance and harmony" .

Product details show

Hidden cable channel system with ports built in the front panel

The cable box cover is made of high-end stainless steel.

The front panel of the desk features a streamline configuration and a sense of vision and elegance of fluid landscape.

Offers multiple organizing solutions for neat office environment.
