**CLOVER LAND**

A modern table with a white top and a dark base, resembling a clover. The table has a white, rounded top and a dark, circular base. The base is connected to the top by a central, dark, cylindrical leg. The overall shape is reminiscent of a clover, with the top being the leaves and the base being the root.

## Clover, Happiness

Legend says that whoever gets finds a four-leafed clover gets a happy life!

The table' s shape looks like the clovers with different colors. A creative space is presented in front of your eyes with new combinations.

The "root" of the clover is reaching towards the bottom like water waves. The connection of the table leg and the table surface has shown exquisite craftsmanship and perfection pursued by all.
