

# Straight lines

**Straight lines are used for the X sofa. Each line is skillfully intersected with one another to shape a highly resilient furniture product. The filler and the straight-lined framework have created curved surfaces to make the sofa smooth and soft. It is not defined as a chair or a sofa. Nor is it designed for a specific user group or environment. It seems it can be used everywhere by everyone.**

*X, the future is full of creativity !*

# Perfect combination

# Configuration Size (mm)

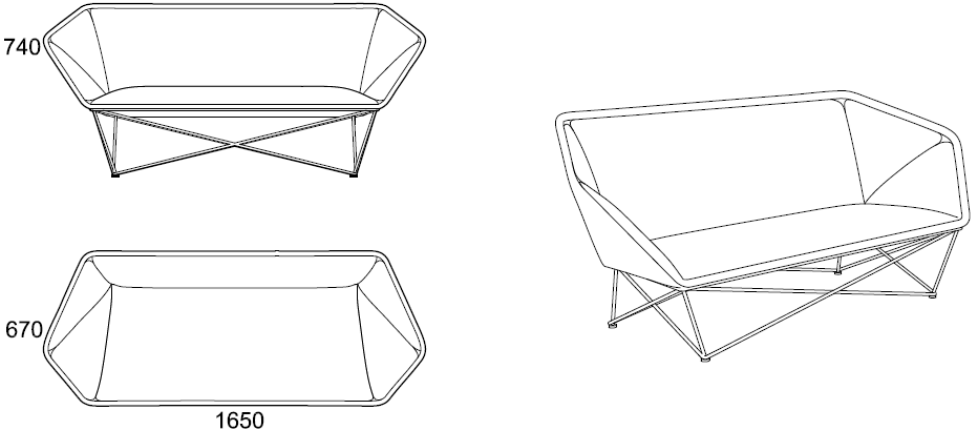

## One-seat

W1050\*D670\*H740

## Two-seat

W1650\*D670\*H740

## X sofa collection

Quality imported wool Eurpost2  
and Steelcut trio 2

Dedicatedly made craft lines  
make the sofa even more  
stereo. Magnificent but still  
exquisite, this sofa combines  
the two elements perfectly.

X-shape legs, like diamond, make  
the sofa more fashionable.
