

X sofa x沙发

聚散“趣”直，X沙发以直线为元素，使每个边线相互呼应，相互穿插，塑造一款张力十足的家具产品。

Straight lines are used for the X sofa. Each line is skillfully intersected with one another to shape a highly resilient furniture product.

柔软的填充物与直线的框架融合出一定曲面的外观，使其平整而又柔和。

X代表“未知、无限”，也代表“目标、希望”，万物都能用X表示，而X沙发没有界定它是椅子还是沙发，没有界定它的适用人群和环境，又好像任何人在哪里用都合适。

精心缝制的工艺线，使得沙发更为立体，张扬之中添加了细致的元素，使得两者相得益彰。

The filler and the straight-lined framework have created curved surfaces to make the sofa smooth and soft.

It is not defined as a chair or a sofa. Nor is it designed for a specific user group or environment. It seems it can be used everywhere by everyone.

Meticulously sewn thread makes the sofa more three-dimensional, and enriches its distinct style with refined element, so as to achieve a striking contrast.
