

Bowler

Designer: Joeri Reynaert

“帽子”戏法

平滑的设计，配以礼帽的造型，使整个沙发看上去极为有趣。礼帽的外沿演变成座椅的扶手，并由贴合边缘曲线的框架支撑。平滑的座椅造型能在提供最舒适使用感的同时，兼顾到符合人体工程学的坐姿。框架的承重结构极为巧妙，被施以戏法，仅用轻巧的框架，便能撑起使用者和椅壳本身的重量。为你的办公空间带来不一样的趣味体验。

"Hat" Trick

Smooth design paired with the style of bowler hat gives the sofa an interesting look. The brim of the "hat" evolves into armrest, which fits the framework support of edge curve. The smooth chair design provides maximum comfort during use with consideration to the ergonomics of seating. Clever as a trick, the lightweight bearing structure of framework can support the weight of user and the chair itself. This "hat" will provide a fresh and interesting experience in your office space.

三款椅腿，各饰魔法

Bowler除其最具特点的“礼帽架”外，另有木质椅腿和带旋转底座的椅腿可供选择。

金属四脚椅：“礼帽架”椅腿，适用想让办公空间，有更多特征化、标志化的空间。

木质四脚腿：适用休闲空间，由木质和Bowler特有的造型，传递柔韵；

金属圆盘椅：适用商务空间，硬朗的金属质地，传递坚毅。

Three Styles of Chair Leg, Different Magic

In addition to the most characteristic "bowler hat" framework, wooden leg and swivel base are also available.

Metal four-leg: "bowler hat" chair legs, suitable for more characteristic and iconic office space.

Wooden four-leg: suitable for leisure space, wooden legs of the unique Bowler style conveys a sense of softness.

Metal disc-base: suitable for business space, tough metal texture conveys unswerving determination.

两款饰面

Bowler的样子复古俏皮，又不失优雅。另有两款饰面随心搭配，皮面与织面适配不同场景。

Two Finishes Available

The look of Bowler is retro, smart, and elegant. There are two finishes available: leather and textile for different scenarios.
